

Creative Challenge

Activity

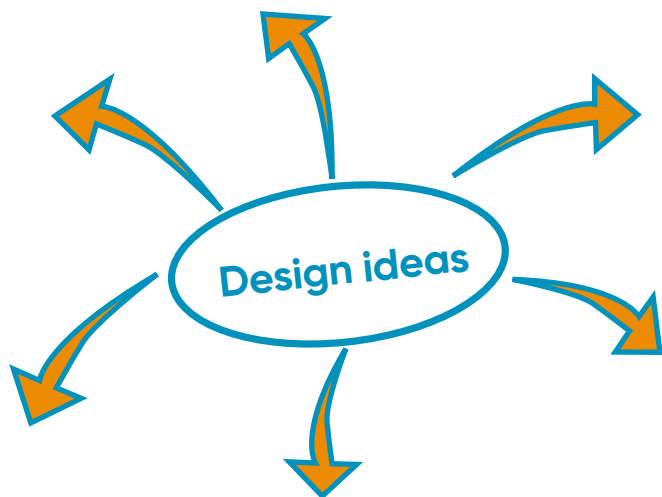

Group members: _____

Design task

Design a solution to support and/or improve the welfare of dairy cows on Australian dairy farms.

1 As a group, brainstorm possible design ideas.

2 Choose and provide a concise description of your preferred design idea.

Worksheet 3a

Creative Challenge

Activity

3 Research current industry practices relevant to this area of dairy production.

4 How does your design solution aim to support or improve the welfare of dairy cows?

5 How does your design solution meet the standards outlined in the Five Domains of Animal Welfare?

Discover Aussie Dairy

Creative Challenge

- 6 Present an annotated sketch of your design solution. Include a list of the resources required for its creation and implementation.
