

## Worksheet 2a

# Jobs on a Dairy Farm

There is much more to life on a dairy farm than milking cows.  
Put a tick next to the jobs a dairy farmer would most likely do on a dairy farm.

	Feed cows	
	Paint pictures	
	Milk cows	
	Drive a school bus	
	Fix fences	

	Plant trees	
	Hand-feed calves	
	Deliver mail	
	Make hay	
	Record keeping	

## Worksheet 2b

Activity

# Paddock To Plate Flow Chart

Draw, write, or describe each of the steps involved in producing milk from farm to plate. The key words are listed below, but not in order.

**Key words:** transport, supermarket, grazing, plate, factory, and milking.
