

Flood recovery checklist

	Yes, we're on top of it	Ok, but there's work to do	No, and we should do something about it	No, and it's not relevant to us
	✓	✓	✓	✓
Support: We have a support team around us and are aware of available financial and physical support.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Livestock stocktake: We have undertaken a stock take of all classes of livestock across the business.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Water supplies: We have checked water supplies, identified any damage to infrastructure including pumps or contamination to dairy or home water supply.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Fodder stocktake: We have undertaken a stock take of all fodder on-farm, including its quality, damage status and accessibility.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Feed budget: We have an agreed feeding plan in place to maximise on-farm fodder and have secured a consistent supply of quality feed to account for shortfalls.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
People: We have communicated with our team and secured the necessary people for the period ahead (days/weeks/months).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Human health: We recognise the importance of both our own and our people's physical and mental wellbeing, including time for family, friends, and personal interests.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Milk production: We are monitoring our current BMCC, bacto, and clinical mastitis data, and have consulted with our vet or milk processor to prevent or manage any issues.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Cow health: We have identified any lame, injured or sick animals and have separated them into smaller groups for monitoring, close to the dairy and on the best feed available.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Finances: We have informed our bank, landlord, feed suppliers, and other key partners about the flood's impact and shared our plans for moving forward.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Fencing: We have inspected farm fencing to ensure effective stock containment and support proper grazing management.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
General inspection: We have inspected the farm and completed an infrastructure and WH&S audit, documenting any damage with photos for insurance and repairs, and have contacted our insurer.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Production recovery: We have consulted key advisors including our agronomist, nutritionist, and vet, and have a clear plan in place to support recovery efforts.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
